MANAGEMENT RIGHTS

- 1.1** Except as specifically limited by the expressed written provisions of this Agreement, the management of employees and the direction of the working forces shall be vested solely and exclusively in Management. The Union recognizes that the Employer is not required to meet and negotiate on matters of inherent management rights. This Article is not intended to limit the Employer's obligation to bargain with the Union over mandatory subjects of bargaining.
- 1.2** This provision shall include, but is not limited to, the right to determine the quality and quantity of work performed, to determine the number of employees to be employed, to determine work locations, to determine the number of employees at each work location, to lay off employees, to assign and delegate work, to respond to changes in demand and employment to maintain and improve efficiency, to require observance of Employer rules, regulations, and other policies, to determine the methods and equipment to be utilized and the type of service to be provided, and to change, modify, or discontinue existing methods of service and equipment to be used or provided. The foregoing illustrations of the Employer's inherent management rights will not be deemed to exclude other inherent management rights and functions not expressly stated herein.

ARTICLE 2
UNION SECURITY

- 2.1 Union Recognition** – The employer recognizes the Union as the exclusive bargaining agent for all full time and regular part time ALS and BLS Emergency Medical Technicians, Mechanics, Paramedics, Community Paramedics, Critical Care Paramedics, Dispatchers, Specialized Transportation Drivers, Parts Specialist, Couriers, Maintenance Worker, Supply Specialists and EIT's.
- 2.2 Acquired Employees** – In the event that Allina Health EMS acquires another entity that maintains employees in any of the classifications defined above, and such employees are determined to be part of the bargaining unit as certified by the NLRB under the NLRB's rules and regulations and covered under this agreement, the following will apply:

2.2.1 Seniority

2.2.1.1 Effective on the date of acquisition, covered employees of the acquired entity will be granted seniority under this agreement based under the following terms:

2.2.1.1.1 The acquired employee's previous date of hire with the acquired entity will be confirmed prior to application herein. The employee will be given half credit from the actual date of hire, not to exceed a total of 5-years. For the purposes of seniority, their "date of hire" will be adjusted to reflect this credit. Those staff with 5 years of seniority will be placed below current EMS staff already at the five year level.

2.2.1.1.2 The union will be responsible for establishing a final seniority list, with review by the Allina Health EMS Labor Management Committee.

2.2.1.2 In the event of a reduction in force, employees from the acquired entity will be reduced in reverse seniority order based on their date of hire seniority.

2.2.2 Compensation and Benefits

2.2.2.1 For the purpose of salary, employees from the acquired entity will be placed at an hourly rate equivalent to the hourly rate of Allina Health EMS employees within the same classification and equivalent years. Prior to implementing the salary changes the parties agree to meet and confer on the appropriate method used to place employees from the acquired entity. Subsequent salary increases will be in accordance with Article 32, Compensation.

2.2.2.2 For purpose of PTO, employees from the acquired entity will be placed at the equivalent accrual rate based on their total years of service with the acquired entity in accordance with Article 15, Paid Time Off.

2.2.2.3 All other benefits will be based on the actual date of hire with Allina Health.

2.2.3 Staffing and Scheduling

2.2.3.1 For the first bid cycle following the acquisition, employees of the acquired entity will only bid for schedules in their former service area. Any open shifts in the former service area will then be filled by other employees of Allina Health EMS following completion of the appropriate orientation period. At the conclusion of the first bid cycle, employees of the acquired entity will be integrated into the current Allina Health EMS shift bidding process and awarded schedules based on their seniority with Allina Health EMS.

2.2.4 Except as specifically provided above, all other provisions of this collective bargaining agreement will apply to employees of the acquired entity.

2.2.5 The parties recognize that these provisions may not fully anticipate the nature of such changes as occurring or may occur in the future. In the event that such changes are not addressed through this provision, the parties mutually agree to negotiate the appropriate application of the collective bargaining agreement.

2.3 Union Security – All employees now employed or hereinafter employed by the employer, coming under the jurisdiction of this Agreement shall, thirty-one (31) days from the date of employment or upon implementation of the first contract, whichever is later for the individual employee, become and remain members in good standing of the Union, or alternately pay the portion of the dues and assessments that are uniformly applied to all members covered by this Agreement that relate to the Union's representation function.

Failure by such employee to comply with paragraph labeled “UNION SECURITY” of this article within fourteen (14) days of the date of receipt of notice from the Employer, will result in termination. The Union shall indemnify and defend the Employer and it’s agents from any claims of an employee so terminated, provided, the Employer and /or its agents may retain defense at their own cost in the event of a conflict.
- 2.5 Dues Deduction** – The Employer agrees to deduct dues, fees, and assessments from the wages of employees covered by this Agreement. Such deductions shall be made only for employees who voluntarily provide written authorization directing that such deductions be made. Deductions/*Fair Share* shall be made each payroll period and remitted to the Union within ten (10) days after the end of the month with a list of the names of employees and the deductions made. The Union agrees to refund promptly any dues found to have been improperly deducted and remitted to the Union.
- 2.6 New Employee Notice** – Within seven (7) calendar days after an employee covered by this Agreement begins work, the Employer shall transmit to the Union office and the applicable Local 167 Union Representative, written notification thereof, stating the employee’s name, address, classification, status, and date of employment.

ARTICLE 4
DURATION, RENEWAL AND MID-TERM BARGAINING

- 4.1** This Agreement shall be in full force and effect as of April 13, 2018 through December 31, 2020 and shall continue in full force and effect from year to year thereafter unless written notice of a desire to change, modify, or terminate this Agreement is given by either party to the other party in writing at least ninety (90) days prior to December 31, 2020 or December 31 of any successive year.
- 4.2** The parties acknowledge that during the negotiations that resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, neither party shall be obligated or required to negotiate with respect to any subject or matter covered by this Agreement during the term of this Agreement, except during re-opener negotiations commenced in accordance with the preceding paragraph.
- 4.3** Should a subject or matter arise that is not covered by this Agreement, the parties agree to bargain collectively over such subject or matter. Furthermore, the parties agree to use the Interest Based Bargaining (IBB) process in any such negotiations.

ARTICLE 5
INTEREST ARBITRATION

- 5.1 Invoking the Interest Arbitration Process.** If either party provides written notice of a desire to change, modify, or terminate this Agreement at least ninety (90) days prior to the expiration thereof, and if the parties do not reach a full and comprehensive settlement of all issues relating to the Agreement either within 60 days following commencement of negotiations or upon the expiration of the Agreement, whichever is earlier, either party may demand in writing of the other party to submit all unresolved issues to Final and Binding Last Best Offer Interest Arbitration ("Interest Arbitration") before a single arbitrator. The arbitrator shall be chosen by mutual agreement or, if the parties cannot agree, the selection of the arbitrator shall be made through a request to FMCS for a panel of seven (7) neutral arbitrators; the parties shall alternately delete one name until six (6) names have been eliminated and the one person whose name remains shall be the elected arbitrator; the parties shall flip a coin to determine who deletes first.
- 5.2 The Process, Decision and Award.** If Interest Arbitration is invoked as provided herein, it shall be a final offer package interest arbitration proceeding (i.e., "baseball-type" interest arbitration). Prior to the arbitration hearing, each party shall submit to the arbitrator their final offer on all unresolved issues as a final offer package proposal. The arbitrator will be

limited to a choice between (a) Employer's final offer package, and (b) Union's final offer package. The arbitrator's choice of package shall be identified in a written final and binding decision and award to be issued within 45 days of the end of the arbitration hearing. The arbitrator's decision and award, combined with any and all agreements previously reached between the parties in relation to the Agreement, shall constitute the parties' new Agreement, and the parties shall thereafter craft and execute a new written Agreement to conform with the same.

- 5.3 Rules of Procedure.** The arbitration hearing shall be conducted under the Labor Arbitration Rules of the American Arbitration Association ("AAA"). To the extent the AAA rules do not address any procedural or substantive issues that arise prior to or during the hearing, the arbitrator will exercise his/her discretion to make appropriate rulings, but shall be guided in such rulings by generally accepted principles applicable to interest arbitration proceedings.
- 5.4 Standards of Decision.** The arbitrator shall use reasonably accepted standards of arbitral jurisprudence and his/her own professional judgment when choosing one party's or the other's final offer package. The arbitrator shall take into consideration any and all criteria that he/she deems appropriate, as well as the following: business, economic and competitive factors affecting the emergency medical service industry, including those factors reasonably projected to affect the industry, Employer's business and the bargaining unit's conditions of employment during the term of the labor agreement.
- 5.5 Costs and Expenses.** The costs and expenses of the arbitrator shall be borne equally by Employer and Union.
- 5.6 No Strikes and No Lockouts.** The Interest Arbitration process shall be the sole mechanism available to the parties for settling a successor contract and shall be binding on the parties until a successor contract is determined, even after expiration of the current Agreement. Throughout the Interest Arbitration process provided for herein, and whether or not the Agreement has expired, Employer and Union agree that there shall be no strikes or lock-outs of any kind whatsoever, and that neither party will have the option of using economic weapons.

ARTICLE 6

LABOR MANAGEMENT COMMITTEE

- 6.1** The Employer and the Union have established a joint Labor Management Committee (LMC). The purpose of this committee shall be to discuss issues of mutual interest in order to maintain a harmonious working relationship between the Employees, the Employer, and the Union. The committee shall meet on a regular basis.
- 6.2** Issues to be discussed may include but are not limited to training, safety, scheduling, and business performance.
- 6.3** The LMC may work on these issues directly or establish short/long term subcommittees to address any issue brought for discussion.

- 6.4 Staff selected to serve on the LMC and sub-committees, will be reimbursed for all hours spent in meeting time serving on the committee at their regular rate of pay.

- 8.6.2** There shall be no pyramiding of overtime/holdover pay under this provision.
- 8.6.3** Additional hours can be added to the end of a shift and the employee asked to work the hours for straight time if the employee is not working forty hours in that week. The employee reserves the right to refuse to work the additional hours or four (4) hour shift without recrimination unless the hours are determined to be mandatory and paid at the overtime rate. This paragraph also applies when an employee is asked or mandated to move to another crew at the end of their shift.
- 8.7 Early Start Pay** – Employees are not to start their shift before the normal assigned time unless requested to do so by staffing, dispatch or management.

- 9.4 The work agreement for Regional/Physician Outreach drivers will be calculated using the total number of hours worked within each pay period. When they work more than forty (40) hours in one week, the additional time will be paid at the overtime rate.

ARTICLE 10

DISCIPLINE

Occasionally disciplinary action may be warranted to correct an employee's behavior, however, no employee shall be disciplined or discharged without just cause. In order to ensure that any discipline imposed is neither arbitrary nor capricious, the following principles will guide Management's investigation and decision to issue discipline:

10.1 Just Cause:

- 10.1.1 Was the rule/work order the standard of conduct, or the performance expectation reasonable?
- 10.1.2 Was the employee given adequate notice that conduct or performance was inadequate or, because the conduct was so egregious, should the employee have known without being given notice that it was unacceptable?
- 10.1.3 Was sufficient investigation made?
- 10.1.4 Was the investigation thorough and unbiased?
- 10.1.5 Was there sufficient proof of misconduct or of the employee's failure to meet performance expectations?

10.1.6 Did the employee receive equitable treatment as to other similarly situated employees?

10.1.7 Is the considered corrective action appropriate?

10.2 Due Process:

10.2.1 The employee knows what is expected of his/her position.

10.2.2 The employee knows what is not acceptable.

10.2.3 The employee knows what corrections are required.

10.2.4 The employee is given reasonable time to respond to the situation.

10.2.5 The employee knows what will happen if the situation is not corrected.

10.3 A manager may take the following actions when employees are not meeting the established performance or conduct standards: verbal coaching, verbal warning, written warnings, final written warning/suspension (with or without pay) or termination.

10.3.1 These actions do not constitute an exclusive list of possible actions and may be taken in any order.

10.3.2 Some of the above disciplinary actions may be skipped or may not occur in the disciplinary process.

10.4 An employee will not be disciplined without being issued notification in writing of the reason(s) for such action within sixty (60) calendar days after the date the employee's immediate manager knew of the offense. The timelines for disciplinary action may be extended by written mutual agreement of the union and the employer.

10.5 An employee participation in an investigatory meeting that reasonably could lead to disciplinary action shall be advised in advance of such meeting and its purpose. The employee shall have the right to request and be granted Union representation during the meeting. At any meeting where discipline is to be issued, the Employer will advise the employee of the right to have a Union representative at such meeting. When an employee declines Union representation, the Steward Waiver form must be provided to the employee. The form should be signed by the employee, with a copy provided to the union.

10.5.1 Employees called in for a private meeting with management shall be paid a minimum of one (1) hour if not contiguous with a scheduled shift.

10.6 All disciplinary action whether a verbal warning, written warning or final written warning/suspension shall become inactive after a period of eighteen months from the date of the discipline.

- 10.6.1 After twelve months from the date of the discipline an employee may request a review by management to determine if such discipline can be considered inactive.

ARTICLE 11

GRIEVANCES

- 11.1 All grievances shall be addressed and resolved as provided in this Article. A grievance shall be defined as any controversy arising over the interpretation of, or the adherence to, the terms and provisions of this Agreement.
- 11.2 The Employer agrees that a representative of the Union shall be excused from scheduled work time without loss of pay for the investigation and handling of issues and grievances over the interpretation or adherence to the terms and provisions of the Agreement.
- 11.2.1 Notice of a meeting shall be given with sufficient notice, so that the Steward can plan for the meeting.

11.3 First Step—Pre-Grievance

It is the intent of both parties to attempt to resolve issues prior to resorting to the written grievance process. Therefore, if an employee has a grievance concerning a non-disciplinary issue, s/he will consult the appropriate management representative for clarification. If the employee wishes, she/he may have the Union representative accompany him/her. The management representative shall address the complaint as soon as practicable. This pre-grievance step will not extend the time limits for filing a written grievance. If an employee has a grievance concerning a disciplinary issue, he/she may go immediately to the Second Step below.

11.4 Second Step—Written Grievance, Meeting and Written Decision

If the employee and the management representative do not resolve the issue, the matter shall be reduced to writing in the form of a written grievance and submitted to Employer Human Resources within fourteen (14) calendar days of its alleged occurrence or when the employee knew or should have reasonably known of the occurrence. The grievance shall contain the specific details of the alleged contract violation, the specific contract provision allegedly violated, and the specific remedy sought. There shall be a meeting between the Local Union and Employer representatives to discuss the grievance within fourteen (14) calendar days of the filing of the written grievance. Human Resources and any management representative HR involves shall issue a written decision concerning the grievance within fourteen (14) calendar days of the date of the meeting.

11.5 Third Step—Arbitration

- 11.5.1 In the event that the grievance is not resolved at the preceding step, the Union may appeal the grievance to arbitration by giving written notice of its desire to arbitrate to Employer Human Resources within fourteen (14) calendar days after the issuance date of the Second Step written decision.

- 11.5.2** The selection of the arbitrator shall be made through a request to the Director of Federal Mediation and Conciliation Service for a panel of seven (7) neutral arbitrators. Within thirty (30) days of receipt of the panel, the parties shall select the arbitrator by alternately deleting one name until six (6) names have been eliminated and the one person whose name remains shall be the elected arbitrator. The parties shall flip a coin to determine who strikes first. The arbitrator shall be notified of his/her selection by a joint letter from the Employer and the Union requesting that he/she set a time and place for the hearing, subject to the availability of the Employer and the Union representatives, and the letter shall specify the issue to the arbitrator.
- 11.5.3** The arbitrator shall have no right to add to, subtract from, nullify, ignore or modify the terms of this Agreement. If the matter sought to be arbitrated does not involve an interpretation of the terms or provisions of this agreement, the arbitrator shall so rule in his/her award. The award of the arbitrator shall be final and binding on Employer, the Union and the employee or employees involved.
- 11.5.4** The fees of the arbitrator shall be borne equally by Employer and the Union, but Employer and the Union shall respectively bear the expense of their own representatives, if any.
- 11.6** Any time limit imposed by this Article may be extended, provided that prior to the expiration of that time limit both parties agree to the extension in writing. If either party fails to meet a time limit imposed by this Article, the grievance shall be resolved in favor of the opposing party based on that party's last stated position. A grievance resolved in this manner shall be without precedence and the party that failed to meet the time limit shall have no further recourse.
- 11.7 Optional Mediation.** The parties can mutually agree to suspend the time-lines and submit the dispute to mediation between the Second Step and Third Step of the process. In that event, the parties will mutually select the mediator, and agree that they will send representatives to the mediation with the authority to resolve the grievance.

ARTICLE 12

SENIORITY

- 12.1** Seniority lists will be updated annually.
- 12.2** There will be a seniority list maintained for each employee within each job classification in both the (1) Metro location and (2) Regional location. "Metro" are those operations located in the following counties – Anoka, Carver, Chisago, Dakota, Hennepin, Isanti, Ramsey, Scott, Sherburne, Wright and Washington. "Regional" are those operations not located within the "Metro" as defined above.
- 12.2.1** The list will be generated from the date of hire in the classification for employees who begin employment on or after January 1, 2018. For all other employees, their

placement on the seniority list will be based on their position on the current seniority list as of December 31, 2017.

12.2.2 Metro EMT seniority shall consist of an ALS-EMT Job Class and BLS Job Class.

12.2.3 All benefit eligible employees will bid for PTO by seniority in each job class.

12.2.4 Employees who start on the same day will be placed on the seniority list in alphabetical order by last name. If employees have the same last name, then alphabetically by first name.

12.3 Any employee who changes job classifications will have their seniority "date of hire" changed to the first day of employment in the new classification.

12.3.1 "Date of Hire" in the vacated job classification will be frozen for two (2) years if they are a benefit eligible employee in their new job class within AH-EMS. Employees who return after two (2) years shall have the date of their return as the date of hire for seniority purposes.

12.4 Separated employees can return up to one (1) year after termination to the same job class and keep the same seniority in that job class that they had before their termination.

ARTICLE 13

STAFFING

Issues regarding staffing may be referred to the Labor Management Committee (LMC) for input/advice.

13.1 LMC shall have a subcommittee called Staffing Committee which will be assigned to address issues related to staffing.

13.1.1 This committee shall meet at least once per quarter in a calendar year, and shall report their recommendations to LMC.

13.2 The filling of open shifts will be done according to current staffing guidelines for each job class.

13.2.1 Overstaffing

13.2.1.1 When more than the necessary number of employees report for the start of a shift, the extra employee will remain on duty until such time that a determination can be made for the scheduling error. If the employee is not responsible for the error, he/she can choose to leave work with four (4) hours pay from the time the determination is communicated to employee, not to exceed the total hours of the scheduled shift, or the employee may accept the alternative duty presented for the remainder of the scheduled shift.

13.2.2 End of Shift Holdover

13.2.2.1 Management reserves the right to hold an employee over at the end of a shift for no more than four (4) hours. An accountable manager will make the decision to hold an employee over.

13.3 Posting of Work Schedules

13.3.1 Work schedules for all job classes will be electronically posted a minimum of fourteen (14) days prior to the start of the pay period.

13.4 Shift Bids

13.4.1 A shift bid will be held at least twice per year. Placement of the employee for bidding will be based on seniority as listed in Article 12.

13.4.2 Fourteen (14) days prior to the start of the twice annual shift bid, the employer shall share the blank bid, the rules for the bid, and the bid appointment times with all employees through their work email and on-line posting.

13.5 Time Off Between Shifts

13.5.1 The employer and the union agree to a set of guidelines concerning time off between regularly scheduled shifts.

13.5.1.1 Any bid shift more than eight (8) hours in length must have nine (9) hours between shifts for Paramedics and EMTs, and eight (8) hours between shifts for other classifications.

13.5.1.1.1 A shorter time period of six (6) hours either before or after a regularly scheduled shift is allowed when an employee picks up an extra shift within a pay period regardless of the rate of pay.

13.5.1.2 Except for Regional (as defined in Article 12.2) operations, an employee cannot be scheduled more than sixteen (16) hours in a twenty-four (24) hour contiguous period.

13.5.1.3 Regional (as defined in Article 12.2) and special events are excluded from this guideline.

13.5.1.4 Deviation from this procedure may occur during a unforeseen staffing situation upon conferring with the accountable Manager or their designee. The purpose of this exception is not to vary from the standard method of filling shifts by seniority, but to allow flexibility in meeting immediate needs.

13.5.2 The number of Field Training Officers (FTO's) will be no less than 4- Interfacility and 8 ALS selected for the FTO program. Allina Health EMS will reserve the right to determine staffing needs for the FTO program.

ARTICLE 14
VOLUNTARY LOW NEED/LAYOFF/RECALL

- 14.1** In the event the Employer determines a need to reduce the number of employees scheduled at a particular work location and/or on a particular shift because of changes in staffing needs, the employer may only ask for volunteers from crews at the effected work location and/or shift.
- 14.1.1** Employees volunteering for low need may elect to take the low need time as PTO or benefit no pay hours.

15.2.1 The maximum accumulation is 480 hours.

15.2.2 The job classifications covered by this Contract follow the schedule listed below.

Job Category Level 1: (Non-Exempt)	Beginning	Year	Days*	Rate/Hour	Max per anniversary year
	First eligible date	0-4	24.05	0.0925	192.4
		5-9	29.04	0.1117	232.336
		10-19	34.03	0.1309	272.272
		20+	39.0	0.1500	312

*Based on an 8 hour day.

- 15.3 Bidding for Scheduled PTO** – At least two (2) times per year, scheduling shall conduct PTO bids.

15.3.1 PTO shall be granted following seniority as listed in Article 12.

15.3.2 PTO shall be bid according to current staffing policy.

- 15.4 Unscheduled PTO** – Employees who use unscheduled PTO should notify the Employer at least three (3) hours prior to the start of their shift.

15.4.1 Employees may be subject to disciplinary action in accordance with the Allina Health attendance policy.

- 15.5 PTO Buyout** – Employees may be eligible to receive cash in lieu of PTO hours.

15.5.1 The minimum employee PTO balance required is 120 hours at the time of the pay out for a Cash Option payment. This minimum balance is needed to ensure employees are able to meet both foreseen PTO needs (vacation and holidays) and unexpected time off needs including sick days and personal business. The 120 hour minimum balance is the minimum number of hours that need to remain in the employee's PTO account after the pay out. For example: if an employee has a PTO account balance of 160 hours, the employee may request a payout of 40 hours of PTO. If the employee does not have the 120 hour minimum balance plus the time to cover the requested number of hours to be paid out in their account by the end of the year, they will not receive a pay out for that year.

15.5.1.1 Up to eleven months accrual, but not less than forty (40) hours of PTO may be taken as a Cash Option. This PTO MUST HAVE BEEN ACCRUED WITHIN THE CURRENT CALENDER YEAR AND BE AVAILABLE AT THE TIME OF THE REQUEST. Note: Due to IRS regulations, prior year's accrued vacation is not eligible for the Cash Option.

15.5.1.2 There is a maximum of one (1) PTO Cash Option payment each year.

15.5.2 Cash Option requests must be submitted and received by the HR Service Center by December 31st for a pay out in the following year. The date for the pay out must also be elected on the request form and occur between April 1st and December 1st. Payments will be made within two (2) pay periods after the date requested through the employee's regular payroll process. This is due to payroll processing dates – in most cases, payment will be made within one (1) pay period.

15.5.3 Payments are made on the employee's regular Pay Check and separate checks will not be made for PTO Cash Option payments.

15.5.4 Requests for more than the maximum allowed due to hardship must follow HR policy.

15.5.5 All PTO Cash Option payments are taxed as Supplemental Income at a combined tax rate (Federal, State and FICA). This is an IRS and State requirement that cannot be changed. Note: Payment of the PTO Cash Option on the regular paycheck will not affect the regular tax rate or withholding amount of the employee's regular payroll check. (W-4 exemptions)

15.6 Holidays

15.6.1 Designated holidays by the employer are New Year's Day, Memorial Day, 4th of July, Labor Day, Thanksgiving Day and Christmas Day.

15.6.2 Benefit eligible employees may elect to use PTO up to the total hours worked on a holiday.

15.6.3 Employees not scheduled to work the holiday may elect to use up to eight (8) hours of PTO on the holiday.

DRUG AND ALCOHOL FREE WORKPLACE AND TESTING POLICY

The Employer and the Union are committed to a belief that early recognition and intervention of chemical abuse and dependency are in the best personal and professional interest of the employee, the employer and of the public. The employer and the Union have, therefore, agreed to the Allina Health Drug and Alcohol Testing Policy for employees. That policy will not be changed except as agreed to by both parties. This policy is included below:

28.1 Policy Purpose

Allina Health is committed to maintaining a work environment free from the influence of alcohol and /or illegal drugs to protect the health, safety, and well- being of our patients, employees, and visitors. To promote this goal, you must come to work in a condition to perform your best. Allina Health has therefore adopted this Drug and Alcohol Testing Policy for Employees. This policy is not intended as and should not be construed as a contract between Allina Health and any employee, except as required by applicable labor contracts.

28.2 Policy Statement

Employee involvement with drugs and alcohol can adversely affect job performance and employee morale, jeopardize employee safety, and undermine employer confidence. The goal, therefore, and the purpose of this policy is to establish and maintain a safe work place and a healthy and efficient work force free from the effects of drug and/or alcohol abuse.

Definition: "Illegal drugs" means controlled substances, and includes prescription medications which contain a controlled substance and which are used for a purpose or by a person for which they are not prescribed or intended. These include, but are not limited to, heroin, cocaine, marijuana, morphine, phencyclidine (PCP), amphetamines, barbiturates, or hallucinogens (or metabolites of any such drugs).

Drugs and Alcohol Prohibited

As an employee, you may not use, possess, distribute, manufacture, sell, transfer, or be under the influence of alcohol or illegal drugs when you are:

- Reporting for work;
- Working (this includes working while on Allina's premises as well as conducting business-related activities off of Allina premises)
- On any premises owned or operated by Allina; or
- Operating any Allina vehicle, machinery or equipment

The consumption of alcohol at mealtime, during working hours, is prohibited.

Travel

If you are traveling for company business and are charged with an offense related to the use or possession of a controlled substance, you must report the incident to your supervisor the next business day.

Off-the-Job-Use

Off-the-job illegal drug or alcohol use which adversely affects your job performance or which could jeopardize the safety of or harm other employees, the public, patients or company equipment will result in **Corrective Action**. Allina specifically disclaims any liability for an employee's consumption of alcohol or illegal use of drugs, regardless of whether or not such consumption is on or off Allina's premises, and regardless of whether such consumption is within or outside the employee's scope of employment.

Violation of this policy may result in **corrective action**. Selling or distributing illegal drugs while on Allina's premises or while engaged in company business will subject an employee to immediate termination, even if it is for a first infraction

Exclusions: This policy does not prohibit: (a) the moderate consumption of alcoholic beverages at Allina Health sponsored events, if any, where Allina Health has authorized alcoholic beverages to be served. Employees are not considered to be within the scope of their employment while attending these events and participation in them is completely voluntary. In no case are employees permitted to bring any alcoholic beverages or illegal substances to an Allina-sponsored event. Employees are expected to act responsibly, use good judgment and obey legal and reasonable limits. If an employee consumes alcohol at a company-sponsored event, he or she is encouraged to make use of alternative transportation when leaving. If an employee exhibits improper behavior at a company-sponsored event due to alcohol consumption, Allina will require the employee to leave the event immediately and will make transportation arrangements home for that individual; and (b) the possession of sealed bottles or cans of alcoholic beverages in the employee's vehicle (or open bottles in the trunk) on Allina Health premises so long as this possession is in compliance with state law if the vehicle were on a public street.

28.3 Scope

This policy is applicable to all employees of Allina Health and its subsidiaries, except those subject to mandatory drug testing by federal law or regulation. Except as to the distribution, manufacture, sale or transfer of alcohol and/or illegal drugs, this policy does not apply to you while you are on Allina's premises solely for the purpose of receiving medical treatment or visiting a person who is receiving medical treatment.

28.4 Procedure

28.4.1 Voluntary Disclosure

Allina encourages any employee with a drug or alcohol problem to voluntarily disclose this matter to the Employee Assistance Program (EAP) before being confronted, tested, or otherwise involved in drug and/or alcohol related incidents.

If you do so:

- You will not be discriminated against because of this disclosure and will not be disciplined on the basis of voluntarily acknowledging a drug or alcohol problem;
- You will be granted time off for treatment, rehabilitation, or counseling in accordance with this labor contract or any applicable non-contract Allina policies;
- All communications will be strictly confidential; and

- You will be able to use EAP resources to assist you in this process.

Please Note: Voluntary disclosure after being confronted, tested, or otherwise involved in drug and/or alcohol related incidents will not excuse violations of this policy, or other Allina policies and procedures under which the employee is subject to **Corrective Action**.

28.5 Grounds for Testing

Testing will be required only under the circumstances described below. No pre-employment drug and alcohol testing is conducted. No test will be sought for the purpose of harassment. All tests are conducted by a laboratory certified in accordance with state law. No test will be conducted by a testing laboratory owned or operated by Allina. The laboratory will notify Allina of the presence or absence of controlled substances and their metabolites and/or alcohol in the sample tested.

28.5.1 Reasonable Suspicion

An employee will be required to undergo a drug and/or alcohol test if there is a reasonable suspicion that the employee:

28.5.1.1 is under the influence of alcohol and/or illegal drugs,

28.5.1.2 has violated the policy statement above,

28.5.1.3 has caused himself/herself or another employee to sustain a personal injury,

28.5.1.4 has caused a work related accident, or

28.5.1.5 has operated or helped operate machinery, equipment, or vehicle involved in a work-related accident.

28.5.2 Treatment Program

If an employee receives a positive test result, the employee will be requested to undergo drug and/or alcohol testing if the employee has been referred by Allina for chemical dependency treatment. The employee may be requested to undergo drug and/or alcohol testing without prior notice during the evaluation or treatment period and for a period of up to two (2) years following the referral for prescribed chemical dependency treatment.

28.6 Notification

Before requesting an employee to undergo drug and/or alcohol testing, Allina will provide the employee with a copy of this Drug and Alcohol Testing Policy and provide the employee with an opportunity to read the policy and sign a consent form.

28.7 Right To Refuse Testing

Any employee has the right to refuse to undergo drug and/or alcohol testing. If an employee refuses to undergo drug and/or alcohol testing, no test will be administered. However, if an employee refuses to be tested, the employee will be subject to termination of employment.

Inconclusive test results or tampering

When test results are inconclusive or there is evidence of tampering, Employee Health Services will confer with the medical review officer ("MRO"), collector, and/or personal health care provider as appropriate to make determinations regarding the appropriate action. If it is unclear whether your behavior has contributed to the inconclusive result, you may be required to undergo another drug and/or alcohol test. If it is reasonable to conclude that you engaged in tampering, or other behavior that prevented a meaningful completion of the drug and/or alcohol testing (including but not limited to causing inconclusive results), you will be subject to **corrective action**.

If the initial result of the alcohol and drug test is negative but "dilute" (as defined by the testing lab), you will be required to submit a new sample for testing. Allina will pay for such test on recollection.

28.8 Rights In The Event Of A Positive Result

If the initial result on the drug/alcohol test is positive, the sample which was tested will undergo a second, confirmatory test before it is reported as a positive result to the employer, employee or medical review officer. An employee has the right to explain the reasons for the positive test (such as that you are taking over the counter or prescribed medications) and to request a confirmatory retest of the sample, to be conducted at the employee's expense. Any employee wishing to exercise these rights must do so within five (5) working days.

If the confirmatory test result is positive, the employee may be subject to corrective action, in accordance with applicable labor contracts or non-contract Allina policies and the following:

28.8.1 First Positive Test Result on Confirmatory Test

An employee will not be discharged based on a first time positive result on a confirmatory test for alcohol and/or illegal drugs requested by Allina. However, the employee will be terminated if he or she has been given the opportunity to participate in a drug or alcohol counseling or rehabilitation program and has refused to participate or has failed to successfully complete the counseling program, as evidenced by withdrawal from the program before its completion or by a positive test result on a confirmatory test after the completion of the program.

28.8.2 Administrative Leave

An employee will be paid administrative leave pay for scheduled shifts up to five shifts while waiting for the test results. When test results are received, the employee's administrative leave pay ends, even if less than five shifts.

28.8.3 Subsequent Positive Result on Confirmatory Test

An employee who receives a positive result on a confirmatory test for alcohol and/or illegal drugs requested by Allina and who has previously received a positive result on a confirmatory test for alcohol and/or illegal drugs requested by Allina may be discharged, so long as a previous positive result occurred within the three (3) preceding years.

If the initial result of the drug and/or alcohol test is negative or the confirmatory test result is negative, the employee is considered to have satisfactorily completed the drug and/or alcohol test.

	Allina First Plan	Allina Select HSA Plan	Allina Basic HSA Plan
Employee Only Coverage	90%	85%	75%

Family	84.67%	80%	70%

ARTICLE 32

COMPENSATION

- 32.1 Wage Scales.** The wage scales for the classifications of work covered in this Agreement shall be as outlined in Exhibit B attached hereto.

32.1.1 In Between Step Employees. Employees on a step in 2018 other than the top step with a base wage rate less than their 2017 base wage rate shall continue to receive the 2014 base wage rate (i.e. be red-circled) but shall receive a lump sum payment in the amount of the ATB percent increase of their base wage rate multiplied by 2080 multiplied by their FTE. *For example, a Metro paramedic with a 2014 base rate of \$30.50 is on step 10 of the 2015 scale based on years of service. The paramedic would continue to receive a base rate of \$30.50 in 2015, and would receive a lump sum payment in the amount of two (2) percent – the 2015 ATB percent increase – of their base wage rate multiplied by 2080 multiplied by their FTE.*

32.1.2 Over Scale Employees. Employees whose 2017 base wage rate is more than the top step of their respective 2018 wage scale shall continue to receive the 2017 base wage rate (i.e. be red-circled) but will receive a lump sum payment in the amount of the ATB percent increase of their base wage rate multiplied by 2080 multiplied by their FTE. *For example, a Metro paramedic with a 2014 base rate of \$33.00 is on the top step (step 12) of the 2015 scale based on years of service. The paramedic would continue to receive a base rate of \$33.00 in 2015, and would receive a lump sum payment in the amount of two (2) percent – the 2015 ATB percent increase – of their base wage rate multiplied by 2080 multiplied by their FTE.*

32.1.3 Year of Service Credit. Beginning on January 1, 2018, all employees shall be credited for an additional year of service on their wage scale on their classification anniversary date unless they have not met their work agreement FTE in the previous year, in which case the year of service will be credited when the employee meets his/her work agreement FTE.

32.1.4 Experience Credit. When placing new hires on the appropriate wage scale step for their classification, Employer may in its discretion consider a new hire's previous work experience in their classification.

32.1.5 Transfers Between Job Classifications. Classifications will be defined as lower or higher pay based on the top hourly step for each classification. Employees transferring from a lower to a higher pay classification will be placed at the step on the higher scale which has the hourly rate closest to the employee's wage rate on the lower scale without going under; employees would not advance steps until warranted by their years of service in the higher classification; employees who are not eligible for step advancement will be entitled to the annual increase to the wage scale, if any. Employees transferring from a higher to a lower pay classification will be placed at the step on the lower scale which has the hourly rate closest to the employee's wage rate on the higher scale; thus, if the employee's current rate of pay exceeds the top step wage rate for the lower pay classification, the employee will be placed at the top step wage rate of the lower pay classification; employees would not advance steps until warranted by their years of service in the lower classification; employees who are not eligible for step advancement will be entitled to the annual increase to the wage scale, if any.

32.2 Premium Pays

- Designated Lead, Designated Special Project Lead: \$3.00 per hour when working in that capacity
- Mechanic Shop Foreman: \$2.00 per hour worked in the Foreman role
- Any Training Officer/Facilitator: \$1.00 per hour worked
- Any Training Officer/Facilitator: \$4.00 per hour when training
- Courier/Special Transportation Flexible Position: \$2.50 per hour worked
- Employees who work a Holiday Shift as defined in Article 8.5 of the Agreement
- shall receive 1.5 times their base rate for hours worked on the shift

32.3 On Call Pay

32.3.1 Restricted Call. Employees required to be on restricted call will be paid the higher of the applicable state or federal minimum wage for each hour on call.

32.3.2 Unrestricted Call. Employees required to be on unrestricted call will be paid \$4.50 for each hour on call.

32.4 Disaster/FEMA Deployment

Each employee deployed will be paid a minimum of twelve (12) hours pay per day for every day deployed including the day deployed and the day of return. Employees will receive per diem as per company policy.

ARTICLE 33

ADVANCE NOTICE SPECIAL EVENTS

33.1 "Advance Notice Special Events" are those events in the Metro that the Employer is made aware of at least 60 days before the event.

33.2 Eligible Employees are those employees with no active discipline at a written warning level or higher.

33.3 Eligible Employees with an interest in working at Advance Notice Special Events may place their names on a Special Events roster. When Employer has a need to staff Advance Notice Special Events, the Employer will offer shifts at least thirty (30) days before the event in seniority order on a rotating basis to employees on the roster who are otherwise able to work. If after offering shifts in this manner a shift remains unfilled, the Employer may fill the shift as needed in its discretion.

If an Eligible Employee does not work at least twelve (12) hours of Advance Notice Special Events in a contract year, he/she may be removed from the roster at the discretion of the Employer.

ARTICLE 34

ACTION PLANS

34.1 During negotiations, the parties reached agreement on a number of significant actions that are to occur during the term of the Contract. An Action Plan is a statement of agreed future actions and usually involves a general versus a specific process. It differs from Contract provisions in that it relies on the good faith of the parties for development and implementation. Action Plans may have a time schedule and are usually adaptable to the Labor-Management process.

34.1.1 The staffing committee will work collaboratively to combine the Regional Seniority Lists into one list.

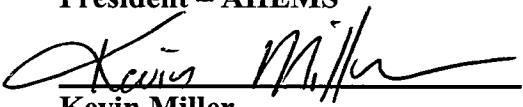

34.2 The Labor Management Committee will prioritize the above action plans, develop time-lines, and over-see implementation.
